

Every woman deserves to give birth and live to tell it with a healthy baby in her arms

Implicit Bias in Maternal Health

Pregnancy-related deaths per 100,000 live births

White women

Black women

SOURCE: Centers for Disease Control and Prevention

In Virginia, **51%** of pregnancy-associated deaths are due to provider-related factors: delay or lack of diagnosis, treatment, follow-up, referral or treatment.

#PUSHbiasout

SUPPORT THE PUSH FOR IMPLICIT BIAS (UNCONCIOUS BIAS, CULTURAL HUMILITY) TRAINING AS A LICENSING CRITERION BY THE VIRGINIA BOARD OF MEDICINE FOR ALL HEALTH CARE PROFESSIONALS WHO HAVE DIRECT CONTACT WITH PATIENTS
