Safety will be a top priority

- ▶ Please store *unloaded* guns in the trunk of your car.
- ▶ No ammunition will be accepted.
- ▶ The person donating the gun must be present while the gun is being dismantled.

A blacksmith will demonstrate turning gun parts into a garden tool. The community is invited to come to the anvil and beat on the gun parts.

Come join us as we bring healing and hope into our communities, making them safer by transforming weapons of death into tools of life.
